

## Learning and Performance Spaces L.A.P.S.

Our LEARNING AND PERFORMANCE SPACES offer an innovative and 'sustainable choice' area incorporating recycled plastiwood decking, seating, performance platforms, food gardens, as well as play areas featuring art installations.

Designed to assist students in gaining knowledge and values of healthy sustainable living, and to encourage performance, drama and debating in a relaxed open space.

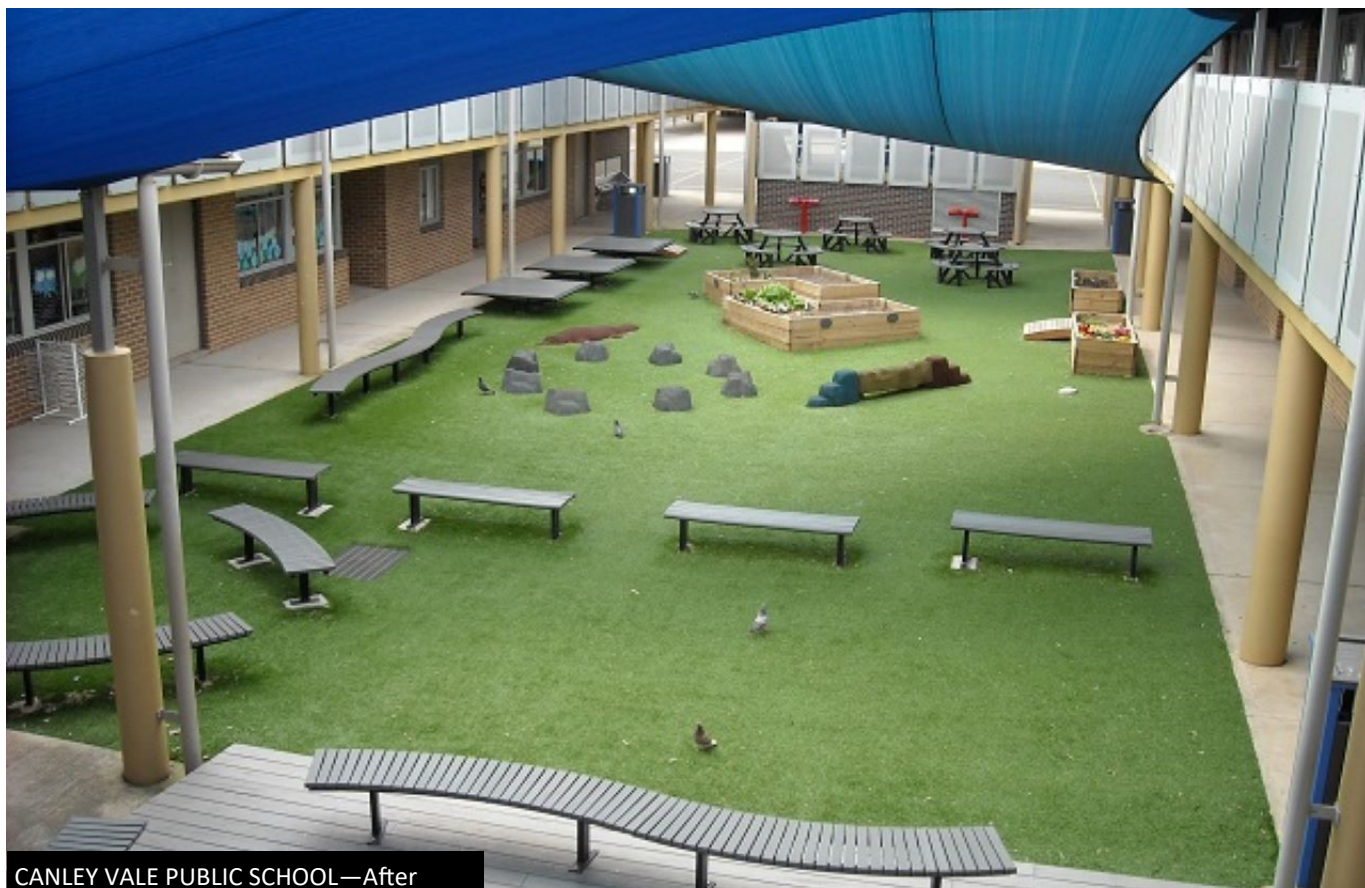

Our design team is expert in designing and creating useful and enjoyable spaces from existing unused and unattractive spaces.

**OAKVILLE DRIVE PUBLIC SCHOOL**

- Newport Square Platforms, 3 units installed to create a Stage
- Conrod Curved Benches, 2 rows of 3 units installed in a "Serpentine" design
